President M. D. Mackenzie,

Hartford Theological Seminary.

My dear President Mackenzie:

I did not notice till this morning the ~~postscript~~ on the back of your letter in which you call my attention to Mr. Thomson as a possible ~~loqui tenens~~ for the second half of the winter. Can he do postgraduate work in ~~Apape~~ ? Perhaps we could arrange for our undergraduate work in Toronto, but we are particularly anxious to have our graduate students attended to. If he can undertake this graduate work, I wonder whether Mr. Thomson would come to Toronto this week to talk the situation over with us. I am not yet able to offer him work for next term, but I should like to see him and discuss the situation. I will of course be glad to arrange that the University pays his expenses. Would you telegraph to me if he can come and when ?

With many thanks and kind regards, I am,

Yours sincerely,

President.

President W. D. Mackenzie,
Hartford Theological Seminary,
Hartford, Conn.

My dear Dr. Mackenzie:

I was glad to get your letter. As the days pass by our regret for Stevenson only deepens. Professor Alexander and his colleagues are particularly affected by it, but also a large circle of friends outside. I have only seen Mrs. Stevenson once since, though I have heard about her indirectly. I believe that she is likely to sail for home in April with Mrs. Lloyd.

I am glad to know that you can preach for us next autumn in Convocation Hall. If the first Monday of November suits you we will make it a fixture.

With kind regards, I am,

Yours sincerely,

President.
